

SUPER SOCCER STARS

2018.19 EXTRACURRICULAR INFO SHEET

THE GIFTED CHOICE™

NAME: Super Soccer Stars

DESCRIPTION: Super Soccer Stars is offering after school soccer clinics for Junior Kindergarten - 3rd grade students. All of our classes are non-competitive, using positive reinforcement to teach children soccer skills in a fun, engaging, and educational environment. We create a specific curriculum tailored to each school's needs. Our unique age-specific curriculum is designed by a combination of early childhood, behavioral, and soccer specialists to ensure that each child is learning, improving their self-confidence, and having a blast from the moment the whistle blows.

All Super Soccer Stars coaches share two passions: a passion for soccer and a passion for working with children. Within this framework, our coaches bring an eclectic mix of talents and backgrounds: collectively, they are artists, musicians, teachers, students, and more. Many come from the hotbeds of soccer - Brazil, Italy, Argentina - while others come from lands as exotic as...Lincoln Park. Such diversity allows each coach to bring a unique patience, energy, and creative flair to every class. Visit <http://chi.supersoccerstars.com/> for more information.
