

CUB SCOUTS

2019-20 EXTRACURRICULAR INFO SHEET

THE GIFTED CHOICE™

TITLE: Cub Scouts (Troop 618)

ELIGIBILITY: 1st - 5th grade boys

DESCRIPTION: Cub Scouting is a year-round, family-oriented program of Boy Scouts of America (BSA) where scouts, parents, and leaders work together to achieve the goals of Cub Scouting, including: character development, leadership, good citizenship, respectful relationships, community service, and fun and adventure. Cub Scouting is fun! Do you like to learn by doing? This is just the place. You can learn to tie knots, set up a tent, and build a robot. Have you ever cooked a meal on a campfire? Sent a secret code to a buddy? Built a birdhouse? Hiked? You might also build a pinewood derby car and race it on the track, build a sailboat or trimaran and race it in the raingutter regatta, or build a spaceship and race it to the stars in the pack space derby. Each time you complete an accomplishment or learn a new skill, you will be rewarded. Sometimes the reward is a loop for your belt, a pin, or a patch. Sometimes it is a smile on your parents' faces to see you grow and learn. Visit <http://www.scouting.org/scoutsourc/CubScouts.aspx> for more information.
