

SOCCER CLINICS

2019-20 EXTRACURRICULAR INFO SHEET

THE GIFTED CHOICE™

TITLE: Super Soccer Stars - Soccer Clinics

ELIGIBILITY: JK - 3rd grade

DESCRIPTION: Super Soccer Stars offers after school soccer clinics for JK - 3rd grade students, split into age groups based on enrollment. All of our classes are non-competitive, using positive reinforcement to teach children soccer skills in a fun, engaging, and educational environment. We create a specific curriculum tailored to each school's needs. Our unique age-specific curriculum is designed by a combination of early childhood, behavioral, and soccer specialists to ensure that each child is learning, improving their self-confidence, and having a blast from the moment the whistle blows.

All Super Soccer Stars coaches share two passions: a passion for soccer and a passion for working with children. Within this framework, our coaches bring an eclectic mix of talents and backgrounds: collectively, they are artists, musicians, teachers, students, and more. Many come from the hotbeds of soccer - Brazil, Italy, Argentina - while others come from lands as exotic as...Lincoln Park. Such diversity allows each coach to bring a unique patience, energy, and creative flair to every class. Visit <http://chi.supersoccerstars.com/> for more information.

Participants may wear cleats or athletic sneakers when outside, but must always have a pair of athletic sneakers available to use in case of inclement weather as no cleats are allowed in the gym.
