THE GIFTED CHOICE™

**TITLE:** 3rd-4th Math Club

**ELIGIBILITY:** 3rd - 4th grade

**DESCRIPTION:** This club is for students who love math and want more challenge, or for those who want to improve their problem solving skills. For five months students participate in the monthly MOEMS (Math Olympiads for Elementary and Middle School Students) meets and learn how to solve the problems they worked on for the meet and share ideas about problem solving with others in the club.
