

CLUB ESPAÑOL

2019-20 EXTRACURRICULAR INFO SHEET

THE GIFTED CHOICE™

TITLE: Excellerate Learning Academy - Club Español (Spanish Club)

ELIGIBILITY: JK - 8th grade

DESCRIPTION: We make learning Spanish fun. Students are fully immersed in a Spanish class for 60 minutes a week. Our curriculum is led by a native Spanish teacher and is based on fun, games, and music. Students will be taught basic conversational Spanish and about the culture. Students will partake in some authentic Spanish treats and participate in an International Night.

Excellerate Learning Academy offers language immersion classes that mix language acquisition and fun! Excellerate's curriculum is grounded in the philosophy that when children learn through full immersion play-based games, songs, and interactive activities, they are more likely to retain their new language. Excellerate's native speaking teachers provide authentic cultural experiences from their native country. Excellerate is committed to meeting students where they are and to ensure they receive the personal attention they need to develop their language skills.
